

REPECHAGE TRIPLE LIFT PEPTIDE CRYO FACIAL

For visibly firmer, rejuvenated skin
Immerse your skin in the age-defying wonders of the sea. This treatment harnesses the benefits of vitamin-rich seaweed, peptides, and cryo-therapy to visibly firm, lift, and smooth the skin.

At Contour Body Imaging, we're always evolving to bring you the best in advanced skincare. We're excited to introduce our newest addition: luxury facial treatments featuring Repêchage.

WHY Repêchage?

For over 40 years, Repêchage has been a leader in seaweed-based skincare, known for combining natural ingredients with cutting-edge science. Their formulas are rich in vitamins, minerals, and antioxidants that help:

- Hydrate and nourish the skin
- Improve tone and texture
- Support anti-aging and skin renewal
- Restore a healthy, radiant glow

FEATURED FACIAL OF THE MONTH

Experience a powerful firming and sculpting treatment with the Repêchage Triple Action Lift Peptide Cryo Facial. This innovative service blends peptides, marine-based ingredients, and cooling therapy to help tighten, smooth, and enhance the look of the skin. Gain hands-on guidance with detailed techniques, in-depth product education, and retail strategies designed to boost both your offerings and client outcomes. Ideal for professionals who want to deliver noticeable, instant results using advanced formulations and modern technology.
